Dear Nancy and Kathy —

I want to thank you for the beautiful job you've done in presenting our gift of Rock, Paper, Scissors to the Town, and for finding the perfect site for it.

I've just read through the impressive documents you prepared for the Board of Selectmen, and now the P&Z, and every one of the letters sent in support of accepting the gift — and I am very touched by the response to the sculpture and its placement near the Library.

It's bittersweet to watch the Westport Arts Advisory Committee, which I created while on the RTM, advocate for our parting gift to Westport, but we are very happy to be able to share one of our favorite pieces of art as a lasting legacy in 'our town.'

We'll be watching as the approval process proceeds, and can't wait to move the sculpture to its new home by the Town Green.

Thank you — and all of the town officials and volunteers — for your wonderful support!

Best,

Ann and Bill
